Berlin, May 30.—A farewell banquet will be given Wednesday to United States Minister White by a large number of prominent politicians and literary men.

On finding that his annexation designs were resisted by the Hamburg senate and house of burgesses and by the reichstag, Bismarck quickly concluded the treaty which leaves Hamburg in possession of its free port privileges. The only change effected is restriction to a smaller area of the privilege hitherto extending over the entire Hamburg territory, but as the area retaining the privilege is large enough for all purposes GERMANY. that will be the result. The feud is a unreconcilable one, to be made "more of international commerce, everything really the result of the election which takes on Wednesday, no matter which side the result of the election which side the remains in statu quo, except that the docks, warehouses and factories, dependent upon warehouses and factories, dependent upon the make of his clothes, and from some trinkets found on the make of his clothes, and from some trinkets found on the was Rudolph Wagner, a missing farmer from Matteson, Illinois, but this was found tariff immunities must be transferred to to be untenable, within the diminished free port districts.

Paris, May 30 .- In the senate to-day Lamtention of the public by Dr. Henry ber: de Sainte Croix, Orleanist, brought for-through the California Academy ward an interpellation in regard to the substitution of lay nurses in the Paris hospitals for members of the religious sisterhoods. Constans, minister of the interior, has de-clined to take the responsibility for the acts were legal, as they were in the present in stance. Buffet, Orleanist, expressed astonish

the day proposed by Lambert de Sainte Croix, demanding, by implication, the reten-tion of Sisters of Charity as hospital nurses, was adopted by a vote of 147 to 111. DUBLIN, May 30.—Demsey, a farmer who had taken land from which the tenant had been evicted, was fired at from behind a hedge in county Galway and killed. The Killmallock Land League has started a accement for presenting Father Sheehy, the apprisoned priess, with a national testimo-

acy in charge of the military and police at a contexpedition sent to execute eviction de rees has been suspended for neglect or dury There will be no formal appointment t the secretaryship of the Land League. Quinn will discharge Brennan's duty. The Dublin correspondent of a London

all the recent disturbances have been in the richest agricultural districts, where the armers are well off, and to speak of these John O'Conner Power, replying to a letter the second reading of the land bill, taunts Egan with skulking in Paris, and tion by the screaming of hired demagogues who have already shown the white feather, they will be abandoned and betrayed in the hour of trial. McCoan also taunts Egan with

hiding in Paris, and hints that Egan's letter Two men named Harrington and Kellaher Macroom, county Cork, to-day,

GOD REQUESTED TO MIX HIMSELF UP IN POLITICS. Our Father and our God, we come Thee, seeking Thy favor and wisdom for this legislature. A great issue is before them, about which strong passions are excited. Conflicting opinions are pressing upon them. Selfishness and hatred are the motives which prompt human action. Alas! too often love

THE TRANSVAAL.

DURHAM, May 30.—The feeling among the loyalists throughout the Transvaal is very disturbed. There are numerous reports of Boer outrages since peace was established. It is reported that a body of Boers attacked a body of natives and murdered ten because they were loyal to the queen and working for the English. The Swazies, Zulus and Transvaal natives express a determination to fight the Boers if they are left in complete possession of the country.

The new British garrison for Patchefstroom enters the Transvaal to-day.

Beauty May 19th, for Glasgow. She went ashore at 3:30 this morning during a dense fog, and lies on the rock in a bad position. All her hold and engine-room are full of water. There is not much chance of floating her they were loyal to the queen and working for the English. The Swazies, Zulus and Transval to the queen and working for the English and the water keeps fine, a number of cattle on the main deck may be saved.

On that day two members of the cabinet called upon the President, and suggested that a conference be held between the President on one hand and the Vice-President on one hand and the Vice-President on one hand and the Vice-President on the New York were greatly dissance that a conference be held between the President on one hand and the Vice-President on one hand and the Vice-President on the New York were at each other. Meehan grew angry, and went ashore and got his knife, On returning, P. J. Copeland playfully threw him under the water, when Meehan cut his throat, killing him. Meehan was arrested, and while in the custody of an officer was shot down by S. Resea a consint of Constant.

PRICES OF GOODS difficulty saved. Telegraphic communication with Philadelphia is cut off, the wires and poles being destroyed by fire.
